Administrative History

The Balkan Mission was officially established on 1 May 1944, taking over most of the responsibilities of the British Government controlled Middle East Relief and Refugee Administration (MERRA). The Mission undertook the planning, organization, and supply of the three Balkan country missions of Greece, Yugoslavia, and Albania. It also gradually took over from MERRA responsibility for the maintenance and supervision of the refugee camps in the Middle East, and for the eventual repatriation of their European residents. The Mission was liquidated in March 1945. It was organized as follows:

The Chief of Mission, Senior Deputy Chief of Mission, Bureau of Finance and Administration, Bureau of Requirements and Supplies, Bureau of Distribution and Transportation, Health Division, Welfare Division, Camps Operations Division, Industrial Rehabilitation Division, Displaced Persons Division, Agricultural Rehabilitation Division.

The files of the Balkan were dispersed after the separation of the country missions, each of these taking with it the files related to its own mission, with the exception of a small amount of material on Yugoslavia, which was sent to Washington. Most of the files which remained in Cairo after the separation of the three country missions were transferred to the Middle East Office; a few however, mostly relating to agreements and relationships with governments, were sent direct to Washington.

The Middle East Office was established on 14 March 1945, immediately after the closure of the Balkan Mission. The Office had the responsibility of procuring supplies in the Middle East, maintaining camps for the European refugees there and repatriating the residents in them as it became possible. The Office also acted as a rear echelon of the

Balkan country missions, and in 1946 undertook the further responsibility of arranging for the repatriation of all refugees living independently throughout the Middle East, and in parts of India and South and East Africa. The Middle East Office was liquidated on 30 June 1947. It had been organized as follows:

Chief of Mission, Bureau of Requirements and Supply, Bureau of Relief Services, Bureau of Finance and Administration. Certain records of the Middle East Office were taken over from the Balkan Mission; in other cases new files were opened in the series originally established by the Balkan Mission. On the closure of the Middle East Office all records were forwarded to the European Regional Office for disposal.

Additional Explanatory Data

1. A report on the origins of the Balkan Mission may be found in European Regional Office, Bureau of Services file WR. 4/3/2, and with monographs on the Balkan Mission.
2. For some account of the relationships of the Balkan Mission and Middle East Office with subsidiary offices and installations see the official History of UNRRA, Vol. 1, pages 185-187.
3. For the origins of small relief and refugee offices supervised by the Middle East Office in Ethiopia, Tanganyika, Palestine, Iran, Turkey, and Cyprus see file WR. /4/3/2 mentioned above.
4. Records of the Jeanne d'Arc Refugee Centre, Philippeville, Algeria, are listed with those records of the Italy Mission, the Centre having passed from the supervision of the Balkan Mission to that of the Italy Mission on 1 January 1945. Very few records dating from the Balkan Mission's period of administration are included.
5. The Claims Commission was established by the British military authorities in Cairo for the settlement of claims involving their personnel and property, including persons and items of equipment loaned to MERRA. The liabilities of MERRA were to some extent taken over by UNRRA, and certain files of the Commission are embodied in those of the Finance and Administration Division of the Balkan Mission and Middle East Office, and of the Liquidator of the Balkan Mission. (All records of claims involving Class I and II employees are centralized in the files of the General Council, series 300-400, of Headquarters Washington.)
6. Records related to those of the Balkan Mission and Middle East Office, and covering administration, personnel, and budget, may be found with those of the Executive Office, Bureau of Areas, (PAG-4/1. 3. 0. 4. 1.: 1 thru 4). Records on personnel are included with Administrative Services Division, referring to the North African Refugee Camp, Casablanca, Morocco, Jeanne d 'Arc Refugee Camp, Philippeville, Algeria, and the MERRA camps are in PAG-4/1. 3. 0. 0. 1.: 2 thru 5 of the Bureau of Areas Executive Office. Fortnightly reports of the MEO are with monographs of the MEO.
7. Health Division reports and correspondence of the Mission and the Middle East Office are with European Regional Office Bureau of Services Files H/4/3 and H/4/3/1A.
8. Miscellaneous general information papers, recruitment reports, a diary of liquidation, monthly and fortnightly reports, and a log of Governor Lehman's trip to the Middle East are with Headquarters Bureau of Services records, PAG-4/1. 3. 1. 0. 1.: 2 and 3.
9. About two linear feet of papers pertaining to negotiations with the Yugoslav Government and to the origins of the Yugoslavia Mission have been transferred from this group to the files of that Mission.
